PROFESSIONAL EXPERIENCE

Non-Commissioned Officer December 2018 – October 2023
United States Marine Corps

- Assisted the Detachment Commander in leading and managing a detachment of 7 Marines by stimulating morale and assigning tasks to each Marine with collateral duties.
- Mentored 3 Marines in improving professional and personal growth, assisted 4 Marines actively seeking off-duty education and taught two classes of applying first aid and CPR as required.
- Led 4 Marines overseas in support of Marine Rotational Force-Europe in Norway conducting multiple training exercises and coordinating troop movements with Norwegian military and convoys carrying critical equipment and passengers.

Marine Security Guard, Marine Corps Embassy Security Group October 2020 – June 2023
Quantico, VA

- Provided 2,286 hours of armed internal security for U.S. embassies and consulates worldwide, secured all classified materials, and challenged all personnel in unauthorized areas.
- Issued thirteen incident reports improving the Embassy/Consulate's overall security and safety and wrote 1 OF-117 security violation report documenting the improper storage of classified material.
- Collaborated in the planning and execution of the detachment's mission-oriented training to include 37 response drills to improve the operational readiness of the detachment in preparation for various contingencies.

Motor Transportation Operator, Logistic Operations March 2017 – October 2023
United States Marine Corps

- Operated with zero accidents and provided the required support, serving more than 60K personnel yearly.
- Managed \$3.4B in equipment and served as the unit's Dispatcher for Combat Logistics Company 36.

EDUCATION

Associate of Arts in General Studies, December 2018
University of Maryland Global Campus, Adelphi, MD
